**Best of ANESTHESIOLOGY**  
**Annual Meeting to**  
**MUMBAI**  
**THE CITY OF DREAMS**  
**FOR THE FIRST TIME**

# OVERVIEW

---

**The American Society of Anesthesiologists (ASA)**, established in 1905, is the global leader in anesthesiology, perioperative medicine and pain management. With a membership spanning 130+ countries, ASA shapes clinical standards, advances patient safety and drives innovation worldwide.

Best of Anesthesiology 2026 brings the most influential breakthroughs from ASA's internationally renowned annual meeting directly to India for the first time. This curated event distills practice-changing global research, emerging perioperative technologies and critical updates that empower clinicians to elevate patient care and strengthen clinical decision-making.

Designed with regional relevance in mind, this inaugural ASA-licensed event offers Indian anesthesiologists an exceptional opportunity to engage with global insights that can be applied immediately in day-to-day practice.

## ABOUT

# BEST OF ANESTHESIOLOGY

---

Best of Anesthesiology 2026 marks a defining milestone, a premier scientific platform delivering ASA-selected annual highlights through a focused, evidence-driven program. Delegates gain access to international guidelines, key scientific summaries, transformative clinical updates and real-world implementation strategies tailored for the Indian perioperative landscape.

This event fosters high-value knowledge exchange, accelerates adoption of global best practices, and strengthens collaboration across the anesthesiology community.

## ABOUT

# THE HOST

## GLOBAL HEALTH CARE ACADEMY (GHA)

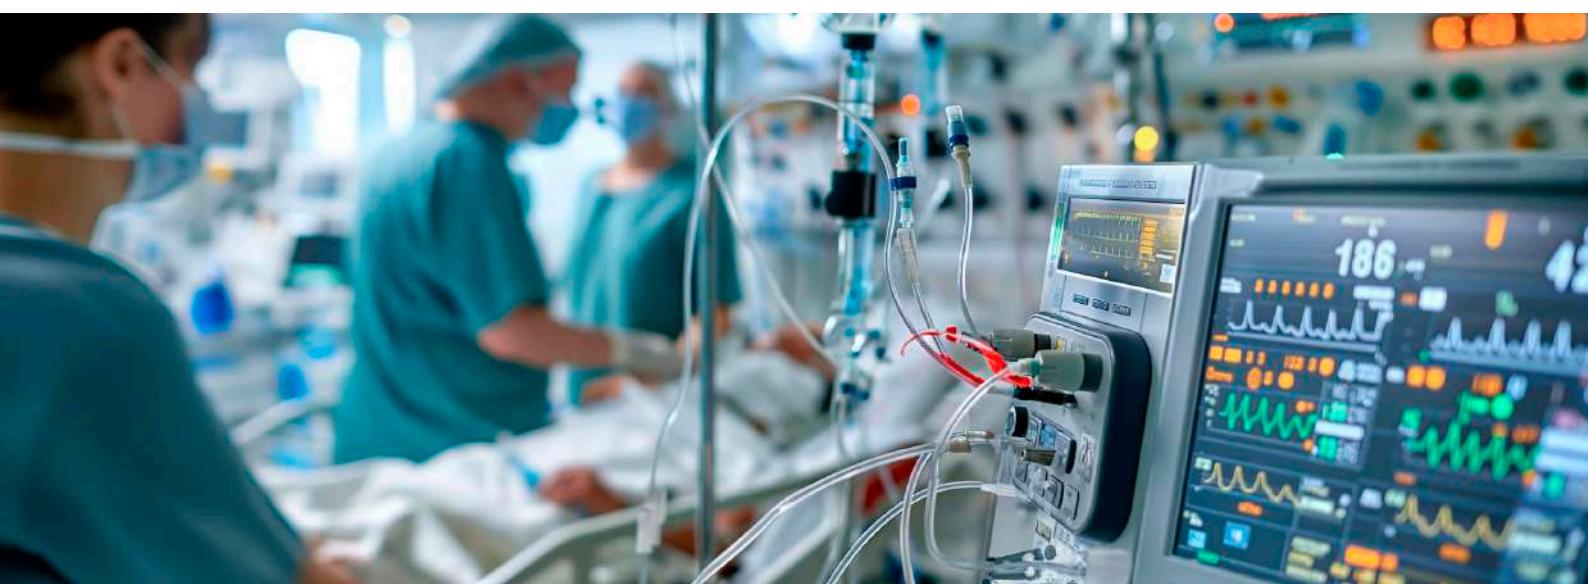

Global Healthcare Academy (GHA) is India's leading Med-Ed Tech institution committed to advancing clinical learning through technology-enabled expert-led case-based education. GHA delivers impactful CME programs, clinical fellowships, specialty communities and large-scale scientific conferences that meet international standards while addressing the evolving needs of Indian healthcare professionals.

With a strong focus on evidence-based practice, GHA collaborates with global experts and medical societies to create high-quality learning experiences that elevate clinical competence, strengthen decision-making and support the continuous professional growth of healthcare teams across the country.

## GLOBAL ANESTHESIOLOGY COMMUNITY

The Global Anesthesiology Community is a dedicated knowledge ecosystem offering continuous updates in anesthesia, perioperative medicine, airway management, critical care, pain and sedation sciences. It brings together the latest research, major international conference highlights, practice-changing guidelines and emerging global trends.

Through expert perspectives, interactive discussions and collaborative learning pathways, the community connects clinicians across regions, fostering continuous engagement and enabling the rapid adoption of innovations that advance the practice of anesthesiology worldwide.

# ORGANISING COMMITTEE

**Dr. Sheila Nainan Myatra**  
Chairperson

**Dr. Jigeeshu Vasishtha Divatia**  
Co-Chairperson

**Dr. Balavenkat S**  
Committee Member

**Dr. Girija Rath**  
Committee Member

**Dr. Kajal Jain**  
Committee Member

**Dr. Naveen Malhotra**  
Committee Member

**Dr. Saikat Sengupta**  
Committee Member

**Dr. Vijaya Patil**  
Committee Member

# INTERNATIONAL SPEAKERS

## Dr. Bernd Saugel

Professor Anesthesiology  
Vice Chair of Anesthesiology & Intensive Care Medicine  
University Medical Center Hamburg, Germany

### Topics:

- How to measure and manage blood pressure in the OR
- Intraoperative cardiac output-guided management: What is the evidence?
- Intraoperative blood pressure management: What is the optimal target?

## Dr. Carin A. Hagberg

Senior Vice President,  
Division of Anesthesiology Critical Care Medicine and Pain Medicine  
University of Texas MD Anderson Cancer Center, Houston, USA

### Topics:

- Beyond the Algorithm: Key Updates in the 2022 ASA Difficult Airway Guidelines
- When Seconds Count: Teamwork in Difficult Airway Management

## Dr. Cynthia A. Wong

Professor  
Chair & Department Executive Officer Department of Anesthesia  
Carver College of Medicine, Iowa, USA

### Topics:

- Top Articles in Obstetric Anesthesia From 2024 That Will Change Your Practice
- Tricks for Rescuing Failed Epidural Anesthesia
- Postpartum Hemorrhage: Drugs to the Rescue

## Dr. Deepak Sharma

Professor  
Anesthesiology & Pain Medicine and Neurological Surgery  
University of Washington Seattle, WA, USA

### Topics:

- Stroke Thrombectomy: What Every Anesthesiologist Should Know
- Anesthetic Strategies to Improve Traumatic Brain Injury Outcomes
- Rationale Pharmacological Choices in Neuroanesthesia

# INTERNATIONAL SPEAKERS

## Dr. Girish P. Joshi

Professor

Department of Anesthesiology & Pain Management  
UT Southwestern Medical Center, Dallas, USA

### Topics:

- Optimizing Perioperative Pain Management: Best Practices for Enhanced Recovery
- Pause, Proceed, or Proceed with Caution? Perioperative Management of Patients on GLP-1 Receptor Agonists
- Opioid-Free Anesthesia-Analgesia: Evidence or Enthusiasm?

## Dr. Joyce Wahr

Professor Emeritus

University of Minnesota Department of Anesthesiology  
Minneapolis, USA

### Topics:

- When thinking fast trips you up: the cognitive basis for error
- The 5 C's of Cardiac Surgery: Communication, Collaboration, Cooperation, Conflict, and Cognition
- "One Goal, Many Contexts: Medication Safety Interventions Across Resource Levels"

## Dr. Kunal Karamchandani

Professor

Anesthesiology & Pain Management, UT Southwestern Medical Center  
Texas, USA

### Topics:

- Managing a physiologically difficult airway- POCUS saves the day!
- Bringing the OR to the ICU- Safe anesthesia care for critically ill patients
- Opioids in the ICU - a double edged sword!

# NATIONAL FACULTY

**Dr. Aparna Date**  
P.D. Hinduja Hospital,  
Khar Unit, Mumbai

**Dr. Amit Singhal**  
Institute of Anaesthesia &  
Critical Care, Medanta Hospital,  
Noida

**Dr. Amrusha Raipure**  
All India Institute  
of Medical Sciences,  
Nagpur

**Dr. Anita Nehete**  
Vedant Hospital,  
Nashik

**Dr. Anita N Shetty**  
HBT Medical College &  
Dr. R.N. Cooper Hospital,  
Mumbai

**Dr. Anjana Saga Wajekar**  
Advanced Centre for Treatment,  
Research and Education in Cancer,  
Tata Memorial Centre, Mumbai

**Dr. Anjali Pingle**  
P.D. Hinduja National  
Hospital & Medical Research  
Centre, Mumbai

**Dr. Ashwini D Rane**  
Advanced Centre for Treatment,  
Research and Education in Cancer,  
Tata Memorial Centre, Mumbai

**Dr. Ashwini Reddy**  
Postgraduate Institute of  
Medical Education & Research,  
Chandigarh

**Dr. Amala Kudalkar**  
Seth Gordhandas Sunderdas  
Medical College, King Edward  
Memorial Hospital, Mumbai

**Dr. Bhakti Trivedi**  
Tata Memorial Centre,  
Mumbai

**Dr. Champa Madhu**  
Shimoga Institute of  
Medical Sciences,  
Shivamogga

**Dr. Charulata Deshpande**  
Topiwala National Medical  
College & BYL Nair Charitable  
Hospital, Mumbai

**Dr. Devi Prasad Mohapatra**

# KEY SCIENTIFIC TRACKS

Cardiac Anesthesia

Onco Anesthesia

Geriatric Anesthesia

Obstetric Anesthesia

Pediatric Anesthesia

Critical Care Medicine

Clinical Neurosciences

Clinical Circulation Anesthesia

Equipment Monitoring & Engineering Technology

Fundamentals of Anesthesiology (History & Education)

Pain Medicine (Regional Anesthesia & Acute Pain)

Perioperative Medicine

Respiratory Anesthesia

The scientific program is subject to change at the discretion of the scientific committee. For more information, please visit our conference website: [www.anesthesiologycom.org](http://www.anesthesiologycom.org)

# REASONS TO PARTICIPATE

## CME Points Credited

Earn continuing medical education credits to advance your professional growth.

## Certificate of Participation

Receive an official certificate recognizing your active engagement in the program.

## Latest & Cutting-Edge Science

Stay updated with the most recent advancements and evolving practices in anesthesiology.

## Top Abstracts from Best of Anesthesia 2025

Learn from carefully selected, high-impact abstracts from the previous conference.

## Insights from Leading Experts

Gain valuable knowledge from eminent national and international faculty.

## Global Perspectives

Experience international viewpoints, best practices, and innovations from renowned global experts.

## Practice-Defining Discussions

Engage in focused sessions offering meaningful, real-world clinical insights.

## Networking Opportunities

Connect, collaborate, and grow with leaders, peers, and industry experts from around the world.

## Buffet Lunch Provided

Enjoy a thoughtfully curated lunch during the event.

## Tea & Coffee at Your Convenience

Refreshments will be available throughout the day for your comfort.

# WHO SHOULD ATTEND

## Anesthesiologists

## Perioperative Physicians

## Allied Healthcare Teams

## Trainees

## Clinical Advancement Professionals

## Intensivists

## Pain Specialists

## Researchers and Innovators

## Medical Technology Partners

# REGISTRATION DETAILS

Category	ISA Member	Non ISA Member	Faculty ISA Member	Faculty Non ISA Member	Student
<b>Early Bird Upto 05 JAN 2026</b>	₹ 8000	₹ 10000	₹ 8000	₹ 10000	₹ 4000
<b>Regular From 06 JAN 2026</b>	₹ 10000	₹ 12000	₹ 8000	₹ 10000	₹ 6000

- The above mentioned rates are exclusive of GST 18% taxes.
- Additional Categories: Postgraduate Students, Industry Delegates, Allied Healthcare Professionals, Accompanying Persons.

# REGISTRATION INCLUSIONS

**Certificate of Participation**

**Buffet Lunch on both the days**

**Tea/Coffee**

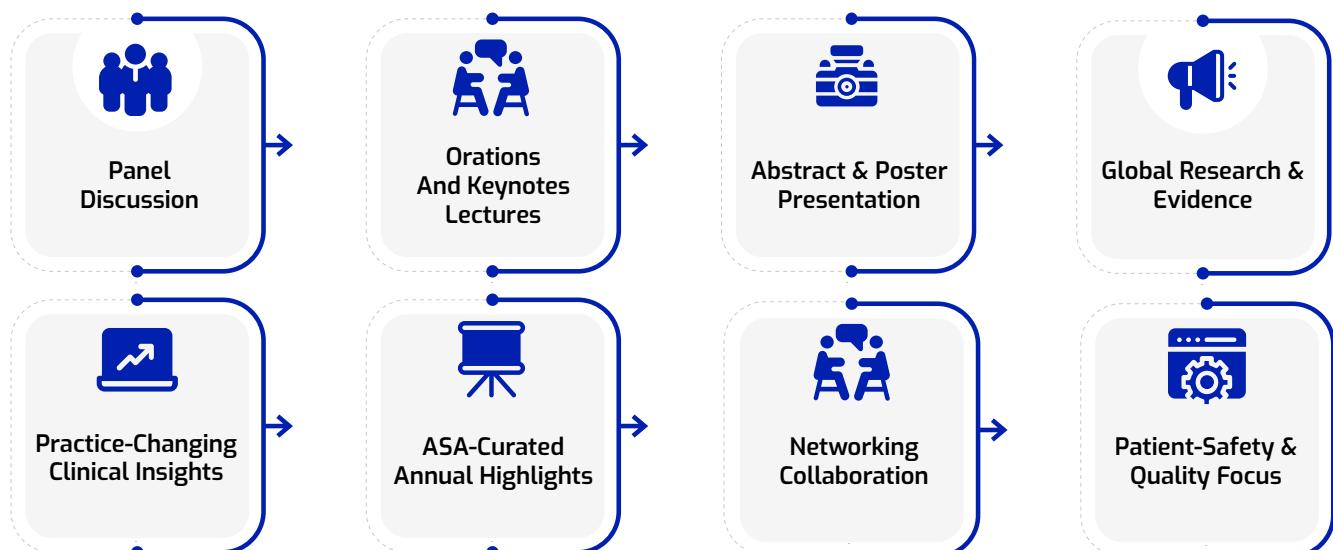

# SPONSORSHIP OPPORTUNITIES

- Interior decoration and extra electricity at the cost of the sponsor / exhibitor.
- The above-mentioned rates are exclusive of all applicable taxes.

## WHY SPONSOR ?

# EXHIBITION LAYOUT

## ABOUT THE HOST CITY

# MUMBAI

Mumbai, India's global gateway, is a dynamic metropolis where medical excellence, academic leadership, innovation and world-class hospitality converge. As one of Asia's foremost healthcare hubs, the city is home to leading tertiary care hospitals, academic institutions and renowned clinicians who contribute significantly to clinical research, education and patient care.

With its strong culture of scientific exchange and continuous learning, Mumbai provides an ideal setting for an international scientific forum of this stature. Seamless global connectivity, robust infrastructure and a vibrant professional ecosystem enable meaningful engagement beyond the conference halls.

Complemented by its rich cultural heritage, cosmopolitan spirit, and exceptional networking opportunities, Mumbai offers an inspiring environment that enhances both learning experiences and professional collaboration.

## ABOUT THE VENUE

# THE LEELA MUMBAI

An oasis of luxury set across 11 acres of landscaped greenery, The Leela Mumbai combines sophisticated hospitality with world-class conference facilities. Its proximity to the international airport ensures effortless accessibility for delegates.

Premium accommodations, state-of-the-art audiovisual capabilities, elegant banquet halls, and seamless event support make The Leela the ideal venue for a high-impact scientific gathering.
